

**Grading Policy - Grades are based on content learned and understood.**

Grades will consist of assignments, quizzes, and assessments.

Assignments 15%, Quizzes/Progress Checks 30%, Assessments 55%

*If a student masters 75% or higher, they will keep their original grade.*

In cases when a student demonstrates 74% or lower of content learned, reteaching will occur, followed by a retake of the quiz or assessment.

The retake grade will take the place of the original grade with a note indicated in gradebook/parent connection the TEK was retaught.

Graded papers will be sent home weekly, so that parents can review the assignments and assessments with their child.

All quizzes and assessments must be reviewed, signed, and returned to the teacher the next day.

*Our grade book is accessible on parent connection.*
